Last week I received a report that one of our students was nearly hit by a car in the parking lot before school. The parent driving was on a cell phone and didn't notice the child. I know that no one wants to hit and injure a child, but often in the urgency of getting children to school on time, and then racing to be on time for work, people can lose sight of important details. Once again, we are asking that you **not** drop off your child in the bus lane or stop your car in the painted crosswalk. Instead, please park your car and walk your child into the building or stop your car down by the playground.

We make this request multiple times every year and every year we face the same struggle. Next year we are going to look at making some changes that will keep our children more safe, but in the mean time we are asking that you please be diligent in the morning and be mindful that there are small children making their way into the building.

Market Day

Orders due April 10th.

Grandparents' Day

Grandparents' Day is Friday, May 9th. We ask that grandparents meet in the school building at 9:30 a.m. and then they join us for chapel at 10:15. The children are permitted to go home with their grandparents after chapel. A permission slip and more information will be coming home next week.

PTF Needs You
