Financial Peace University is a 13 week program with unique lessons on spending, saving, and learning how to live on a Cash Flow Plan. You will learn what the Bible says about living on less than what you earn. CCS will again be hosting the class, taught by Mr. Terry Diefenbacher. The cost is \$95 for your entire family. A preview class will be at the High School campus, room 207 on Monday, August 31st at 7PM. We encourage everyone to attend. Regular classes will be held on Tuesday evenings at the High School beginning September 8th. Contact Terry for more information, tdiefenbacher@cincinnatichristian.org.

RenWeb is fully operational. You do not need to do anything to change your student's information; your password will remain the same as last year. Please direct any questions or problems regarding RenWeb to Mary Zeller, mzeller@cincinnatichristian.org.
