

Just today, I received an Action Alert from ACSI, the Association of Christian Schools International. Today is the deadline to contact Governor Strickland regarding State Budget Bill (HB1) Proposed Conference Committee Cuts to Chartered Nonpublic School Students. I have attached the Alert as a pdf document to this email for you to read and decide if you would like to contact Governor Strickland.

For those who have opted out of receiving paper copies of the "Cougar Link", it is now available by clicking on the following link: <http://www.cincinnatichristian.org/wp-content/uploads/2008/08/End-of-Year-Report09..pdf>. Paper copies have been mailed; you should receive them next week.

Elementary:

Parents of 3rd through 6th grade girls - CYO Girls Basketball sign-ups: If you have not yet signed your daughter up and they intend on playing, please email ineal@bgrinc.com as soon as possible. With current numbers, the teams will have to be combined; 3rd & 4th and 5th & 6th. It is very important to sign them up now so each girl will have plenty of playing time. Waiting until after teams are submitted causes over-crowding of teams and reduces playing time, not to mention makes it a real challenge for the coaches. Thank you, we are looking forward to a fun season!

High School:

Note to all Algebra I students, any calculator from the TI-84 graphing calculator family (TI-84, TI-84 Plus or TI-84 Plus Silver edition) is a new requirement for this class.

From Mrs. Zeller, Guidance Counselor:

Access to RenWeb will be limited while student schedules are being completed. Once the schedules are completed, it will be available again.

Stanford Achievement test scores are at the front desk of the High School. Students who took the test will receive their scores in the mail with their schedules in early August. If you need them earlier, you may stop by the school to pick them up. Our summer hours are 9:00 to 3:00.
