

Pilot Tuition Discount Program for Referrals

Dear Friends of Cincinnati Christian Schools,

In an effort to show our sincere gratitude to the families who promote CCS to their friends and families, as well as increase enrollment this coming school year, we are presenting a new **experimental Reward Program**. Please take a moment to review this information and prayerfully consider whom you could invite to be a part of Christian education with a mission of equipping, training and discipling students. In lieu of the previous referral credit of \$320 per family, **this year we offer \$640 to the referring family or church, per new family enrolled at CCS.** The credit is contingent on the new full-time student's enrollment for the entire school year, who listed you as the referring party on their application. The tuition credit will be given February, 2010.

You may receive the referral credit in the following choices:

1. Refund – You will receive a check from CCS in February, 2010.
2. Lower your 2nd Semester payment by readjusting your FACTS payment.
3. Give the tuition credit to the very family that you referred. You have not only blessed them by telling them about an awesome program, but you are helping them with their tuition bill.
4. Donate your credit to our Financial Aid/Scholarship programs. Annually, CCS has given over \$ 280,000.00 per school year to families with financial need, for tuition assistance. Need is determined by our FAFSA (college financial aid) like application using the FACTS program. Families who receive financial aid qualify academically and spiritually, but need help financially. Historically, this program has been funded through the generous donations of CCS families and friends. We believe Christian education should be available to all Christian families, whose students meet or exceed our enrollment standards, regardless of family income. This is a tax deductible donation.*
5. You may choose to send your credit to your church for their good work in promoting our school. Partnerships developed with churches and pastors are key to the success of Christian education at CCS. This is a tax deductible donation.*
6. Designate your credit amount to help the pastor or youth pastor to send their children to CCS.
7. Donate your credit to our Capital Campaign Fund, "For Such a Time as This". We have 3.8 million dollars worth of facility and academic projects on the table to accomplish in the future. With the economy in slow-down mode, we have adjusted our goals to the following project as our first priority:
Fine Arts wing addition and renovation in the lower level at the high school, with possible Band room expansion for the high school. This project, when completed, would allow us to use the current art rooms for a "state of the art" library expansion and provide additional classrooms. The estimated cost is \$ 270,000.00. After this project is complete, we would continue with the master plan, which includes athletic fields, stadium, a track and field house and expansion/improvement of the parking lots. This is a tax deductible donation.*

*Note: CCS is a 501(c) (3) organization and may authorize tax deductible donations.
