

2020-2021 AFTER-SCHOOL CARE POLICIES & PROCEDURES Elementary Campus

The After-School Care (ASC) program is a service offered for CCS students, providing supervision from the conclusion of the school day until they can be picked up by a parent or guardian. This supervision is in an educational and nurturing environment. Enrollment in the program is purely voluntary and can be used as needed.

If you are interested in enrolling your student(s) in this program, please review the information below and complete an enrollment application.

- **Pricing:** The ASC program costs \$5.70 per hour, per child until 6:15 p.m. The price per half-hour is \$2.85 per child until 6:15 p.m. After 6:15 p.m. there is a charge of \$8.00 per child, for every 15 minute time period until the child is picked up. Please read the "Hours of Operation" section for more details on the late pick-up charge.
- **Signing In/Out:** All students must immediately report to the ASC room after classroom dismissal. The student log will be kept with the ASC supervisor at all times. ASC students will check in with the ASC supervisor for attendance no later than 3:30 p.m. After attendance is verified, students will be given their snack items.
- Students left in the "Parent Pick Up" area will be delivered to ASC at 3:30 p.m. and parents will be expected to heed the standard sign-out and billing procedure.

After the third occurrence, notification will be sent to the parent that ASC will not be an option for the remainder of the school year.
- Students participating in after school enrichment programs, such as chess club, robotics club, elementary choir, etc., will be expected to report to the ASC area immediately following their dismissal from the other programs. A notation will be made on the student's log of their participation in extracurricular activities.
- Students in the ASC program will not be permitted to remain in their classrooms or assist teachers after school. Any exceptions will be made in writing by the elementary teacher. Students should come to the ASC prepared with homework, paper, pencils, etc., and will not be permitted to return to their classroom. Students will be permitted to use the restroom, get a drink of water, etc., in groups of no more than two.

- No unauthorized persons should pick up a student from ASC. In the event that a new person comes to sign out a child, a call will be placed to the parent prior to release. All exceptional cases will require a written note from the parent to permit a new person to pick up. All notes received will be retained in the ASC binder.
- **Snacks:** The drinks and snacks in the vending machines are not available for an ASC snack. Parents will be given the opportunity to purchase a wholesome snack through the ASC program (snack and juice box) at the cost of \$1.00 per day. The cost of the snack will be included in the monthly billing statement. Parents are requested to indicate whether they prefer a snack provided by ASC each time their student attends ASC, or if they prefer to provide a snack from home each time. It is imperative that ASC be notified in writing if any child has any food allergies.
- **Dress Code:** Students are expected to remain in dress code while in ASC. Any exceptions will require written parental consent, including the time of student pick-up. The student will be permitted to change clothes five minutes prior to stated parent pick-up time.
- **Discipline:** Students are to conduct themselves in the same manner which is expected during the regular school day at CCS. All of the behavior/discipline regulations found in the *Parent/Student Handbook* are applicable, including suspension or expulsion from the ASC program. In the event that a student does not follow the rules, a discipline form will be completed and forwarded to the office. The Elementary Campus Principal will meet with the student the following morning and will administer discipline according to the severity of the issue.
- **Personnel Conduct:** The ASC Caregiver is an extension of Cincinnati Christian Schools. Hence, the caregiver will be a positive promoter of the school, staff, administration and program. The caregiver will provide:
