

## CINCINNATI CHRISTIAN SCHOOLS HEALTH AIDE

Posted: 10/19/2020

CCS is looking for an energetic, compassionate, and service-oriented individual to fill a vacancy as a full-time Health Aide. Butler County Educational Service Center will fill this position, and the individual will be an employee of BCESC but will work at CCS. It is an hourly position with full benefits.

The CCS Health Aide will assist the school nurse by providing a healthy and safe environment and maintaining all medical records required by the state, district, and school. The health aide and nurse will rotate between both campuses; therefore, the health aide must be able to operate independently of the nurse but still work as a team to meet the school community's needs. The essential functions of the position are as follows:

- Helps maintain the health services under the direction of the school nurse
- Assists with examinations
- Maintain health records and perform clerical work
- Performs minor first aid on injured students or employees
- Assists with attendance monitoring and parent phone calls

If interested, completed the Support Staff Application, and you will be contacted to discuss the position.
