

TECHNOLOGY CLERK/HELPDESK

The Technology Clerk shall provide helpdesk service and assistance to the Director of Technology in its charge to provide, operate, and maintain computing, uniform data storage, and telecommunications facilities, equipment, and services that meet the needs of the students, educational, staff, and administrative programs at Cincinnati Christian Schools.

The position is an hourly, part-time but could be full-time for the right individual. Cincinnati Christian Schools partners with Butler County Educational Service Center to staff this position. The Tech Clerk will be employed by BCESC but will work at CCS. If interested, please fill out the application under the support staff heading for consideration. For further information, please contact Ray Kochis at ray.kochis@cincinnatichristian.org or 513.892.8500.
